

Presentation Skills Programme Connect 2 Grow

Wednesday 31st January & 7th February 2024

Traditional education provides us with the knowledge and skills to advance our careers in our chosen fields. However, it does not give us the ability to communicate and present this knowledge to others, be they colleagues or clients. Communication and presenting your ideas are skills to learn and develop like any other, and this programme will help you do so.

This vital training helps connect delegates with large groups, small teams, and one-to-one meetings.

A two-day programme (one week apart) designed for delegates with business competence who now recognise the need to speak more effectively.

The programme will give people hands-on experience, where they will get the theory and the opportunity to present in front of the group on numerous occasions.

As a result, they will be open to new ideas, challenges, and audiences, stretching their comfort level when presenting to groups.

Event Details: Dates: Wednesday 31st Jan. and 7th Feb. 2024. Time: 09:30-16.30
Venue: National College of Ireland (NCI) IFSC, Dublin. [Link for directions](#)
